¹ Any improvements and their associated fees shall be the responsibility of the Town of Castle Rock

² The description of facilities is not an exhaustive list and may include other amenities as described in the Town of Castle Rock's municipal code and the Pioneer Ranch Zoning Regulations.

³ Steeper slopes over 15%, drainages, bluffs and other sensitive areas shall have limited or restricted access as defined in subsequent site development plans

Notes:

- All Trails designated as "Major Pedestrian Corridors" shall be 8 feet wide with a concrete surface or other surface acceptable to Owner and the Town's Director of Development Services and may be a part of the residential collector street cross section. Trails designated as "Minor Pedestrian Corridors" shall at a minimum be between two and four feet wide, with a native surface. Material and width may vary based upon the intended use and destination of the trail.
- In general, planning areas with an 'OS' designation or a 'PL' designation represent open space intended for preservation of natural areas, for buffering adjacent neighbors, and for providing trail corridors and connectivity to

passive and active park areas. While the majority of the 'OS' and 'PL' planning areas are envisioned to include passive recreation opportunities (trails, trail heads, seating areas, open-air pavilions, picnic areas and overlooks, others may include more active recreation opportunities at the town's discretion.

- Trail alignments are depicted for purposes of intent only. Final alignments shall be determined at the time of final site plan submittal.
- Description of facilities above are possible program elements that may be revised in future site plan submittal.
