## **SALES TAX RETURN INSTRUCTIONS**

Line 3C

If you deliver or ship product out of the Town of Castle Rock and you are unsure of the "in/out" status of the address, please email, call, or fax our division for verification. An address locator is available on our website and by request from our division.

Line 3G

Sales to exempt organizations must be supported by a "State of Colorado" exemption certificate. Place the exempt number of the organization on your invoice. The number <u>must</u> begin with "98" (i.e., 98-xxxxx-xxxx).

Line 3K

Only food purchased with food stamps, or WIC vouchers may be deducted. The Town of Castle Rock's tax rate on "Food for Home Consumption" is 4.0%. Do not deduct food sold unless stamps or vouchers are collected from the customer. Food and drink sold "ready to eat", or food sold as "immediate consumption", are taxed at the full applicable rate, including the State of Colorado tax. (See State FYI Sales 4)

Line 6

If sales taxes collected, during the reporting period, exceed the amount calculated on Line 4, you must report and remit the excess on this line.

Line 8

This amount reimburses the vendor for collecting our sales tax. It is not an additional cost to the vendor. Do not add this calculation to the tax. The amount you keep is limited to \$200 per return. **NOT APPLICABLE ON LATE RETURNS.** 

Line 10

Returns are due on the 20<sup>th</sup> day of the month following the reporting period. For example on a <u>monthly</u> return: The due date for the period of May 1<sup>st</sup> through May 31<sup>st</sup> is June 20<sup>th</sup>. For example on a <u>quarterly</u> return: The due date for the period of April 1<sup>st</sup> through June 30<sup>th</sup> is July 20<sup>th</sup>. Returns are considered late if the payment or return is not received, or if the envelope is not postmarked by the USPS, on or before the due date.

Penalty calculation: Late returns will be assessed a penalty equal to the sum of \$10, or fifteen percent (15%), whichever is

greater.

Sale of a Business

If your business has been sold to a new owner, sales tax <u>may</u> be due on the selling price of the tangible personal property assets, except for inventory to be resold. Report the taxable sales amount and tax due on a separate tax return noting that the return is for the sale of the business. See State Code Section 39-26-102(10) for a list of types of business sales that are not subject to sales tax.
