

Notice of intent to adjust parking time limits

DOWNTOWN PARKING

Notice for Jerry Street between Fourth and Fifth streets

The intent of this notice is to provide opportunity for public comment prior to a Downtown parking time limits being adjusted in the location shown in the above photo illustration. This location is on the west side of Jerry Street, between Fourth and Fifth streets.

The 13 spots lined in green would be impacted by the change, which would convert the spots from all-day parking to 2-Hour parking. That provision would be enforced to the extent possible by Castle Rock Police Department on Monday-Friday from 8 a.m. to 5 p.m.

Any comments regarding this proposed parking time limit adjustment must be submitted in writing to the Castle Rock Town Manager's Office, 100 N. Wilcox St., Castle Rock, CO 80104, or kread@CRgov.com, no later than 5 p.m. Wednesday, July 22, in order to be considered prior to implementation.

Questions may be directed to Assistant Town Manager Kristin Read at the above email or at 720-733-3552.
